Chat with your parents/caregiver

There were four different kinds of soil. They each represent a different response to hearing God's word. Can you remember what those responses were?

- Bounce off path and eaten by the birds =
- Rocky ground, shallow roots =
- Thorns and thistles choking growth =
- Good soil, bumper harvest =

Do we have the chance to hear God's word / good news about Jesus? How? Where?

And what does this parable teach us we ought to do?

Pray

Maybe you'd like to pray that God will help you to hear his word, accept it and produce a bumper crop by passing the good news on to others!
